Pepper Construction Group Welcomes Dena Anderson as Senior Vice President of Human Resources

CHICAGO, IL – April 03, 2023 Pepper Construction Group is pleased to announce the appointment of Dena Anderson as Senior Vice President of Human Resources. In this role, Anderson will oversee all aspects of human resources strategy for the company and lead initiatives to attract, develop and retain top talent.

Anderson brings to Pepper Construction more than 15 years of experience in human resources and talent management, having previously served in executive positions at several leading organizations. She has a proven track record of developing and implementing HR strategies that align with business goals and support organizational growth.

As Senior Vice President of Human Resources, Anderson will work closely with Pepper Construction's leadership team and partner with HR leaders in each location to strategically develop and implement HR programs that support the company's growth and expansion. She will oversee all aspects of talent management, including recruiting, training and development, performance management, compensation and benefits and developing the employee experience.

"We are thrilled to welcome Dena to our team," said Stan Pepper, CEO of Pepper Construction Group. "Her extensive experience and proven leadership in human resources make her an invaluable addition to our leadership team. We look forward to working with her to continue to build a strong and talented workforce that drives our business forward."

About Pepper

Now in their fourth generation of family leadership, Pepper Construction serves clients across the country with comprehensive teams in Illinois, Indiana, Ohio and Wisconsin. Ranked by ENR (Engineering News Report) magazine as one of the top builders of sustainable projects in the nation, Pepper serves clients in a variety of markets such as aerospace, healthcare, science and technology, education, manufacturing and industrial, data centers, entertainment, hospitality and interiors, among others. Pepper's High Performance and Sustainable Construction group is part of their Integrated Construction Services (ICS) team, which represents some of the most advanced thought leadership in our industry — investigating new technologies, evaluating new methodologies and integrating innovative solutions in the field.
